Directions and Parking

As a small post, parking is at a premium at Fort Leavenworth. Most spaces require a parking tag, which are given to assigned personnel. Refrain from parking in lots requiring a tag or sticker, as you may receive a ticket from the Military Police.

Open lots are marked with a blue dot. Each these lots will require a walk up to one eighth ~~or one quarter of a mile.~~

1. The old Bell Hall parking lot. With the razing of the old CGSC building this lot is now open parking.

2. Gruber Gym. There is parking on the south and north sides of the building.

3. Sherman Avenue. Open parking is allowed along the west side of the roadway.
